## VINEYARDS

PlayGround Vineyard is aptly named for its location on the top of our hill, sitting at 1,350 feet elevation. This is the most difficult vineyard to farm, it is situated in the path of the winds from the west, and at times they are quite fierce with piercing cold temperatures. Our son plays in this beautiful vineyard, there are 2 large oak trees from which a barrel-stave swing hangs. The gophers have had their playtime in this vineyard as well; for three years we battled fiercely with them, finally we gained the upper hand and the vines are thriving. PlayGround is a 1 acre vineyard planted in a true field-blend fashion, randomly placed varieties grow together and we hand harvest all the varieties at once.

## TASTING NOTES

PlayGround is perhaps AmByth's most fruit forward wine, with dark aromas exhibiting a perfectly rounded complexity on the palate. The color is dark garnet, on the nose the wine is pleasantly open. The flavors are rounded, but the classic layer of acidity keeps the wine in check. 10 ppm Total Added Sulfites

## TECHNICAL DATA

**BLEND:** 40% Mourvedre/20% Grenache/17% Syrah/17% Counoise/3% Carignane/3% Roussanne

**APPELLATION:** Paso Robles
