

AmByth *Revera* 2010

AmByth Estate is a Demeter certified Biodynamic® vineyard farm located in the Templeton Gap. Our vineyards are dry farmed. Our farming is Biodynamic. Our winemaking is natural.

VINEYARDS

The ReVERa is a blend of four grapes, which comes from 3 different vineyards on the 42 acre estate vineyard farm. Syrah, Mourvedre and Grenache are planted in Mark's Vineyard, a 7 acre block planted in January of 2004. The Counoise is planted in StoneCross, a much more steep, south facing vineyard surrounded by Spanish olive trees. Additional Mourvedre is grown in Terrace. AmByth Estate is particularly suited well to Mourvedre, which we have planted on rootstock in Mark's Vineyard, and on its own rootstock in Terrace. We love the earthiness exhibited in this small, late-ripening grape. All vineyards are dry farmed (spacing 10 x 10 and 12 x 12), harvesting is by hand, and multiple passes were made through the vineyards with each varietal.

TECHNICAL DATA

BLEND: Mourvedre 46% · Grenache 23% · Syrah 23% · Counoise 8%

APPELLATION: Paso Robles

HARVEST DATES: Sept. 22 – Oct 1

BOTTLING DATE: April 2012

RELEASE DATE: June 2013

SRP: \$45.00

ALCOHOL: 13.6%

PH: 3.37

TA: 0.85

TOTAL CASES: 108
