## VINEYARDS

The Roussanne is located in StoneCross Vineyard, a very steep, southeast facing vineyard on the 42 acre estate-farm. The vines were planted in December 2005, they are 100% dry-farmed, and they are surrounded by Spanish olive trees to add biodiversity and beauty. We have 1.33 acres of Roussanne. Throughout the year, the vines receive various Biodynamic preparations in the form of sprays, as well as herb teas we make from herbs growing on the farm. We apply nearly everything on foot, as it enables us to closely inspect every head-trained vine to monitor growth, fruit maturity, possible fungal issues and the general habitat.

## TASTING NOTES

This is 100% Roussanne, with zero added sulfites. Medium gold color, the nose exhibits a medium intensity of ripe pear, citrus, fig and butterscotch. Medium plus body. The wine wants to act like a puppy but is kept in check by Mother Acid. Flavors of tarte tatin and fig are showing up in the background. An intense Roussanne that will age beautifully.
